

Strathmore Farm and B&B

How to get to Strathmore Farm from Tidal River (aka Wilsons Promontory)

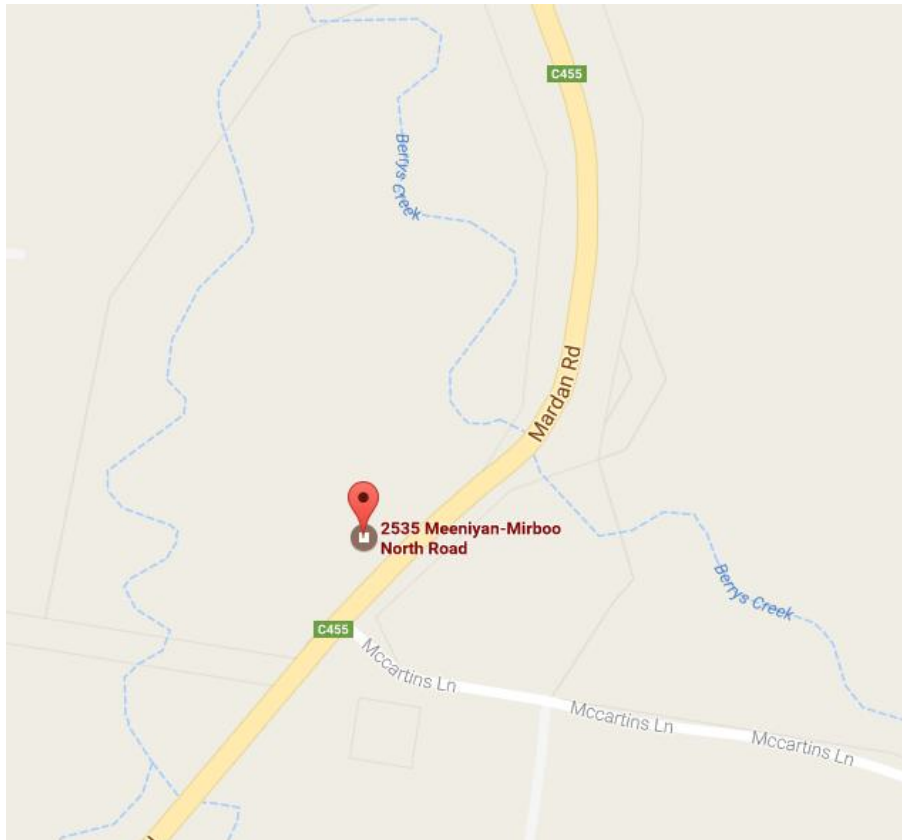

A lot of our guests like to stay with us but also make a bee-line for the prom and then come up to us. Or they come to us on a Friday and spend the next day at the prom and head back for a well-earned rest on Saturday night. So here are some detailed directions to make your trip easier (we hope!). This is specifically to get home to us from Wilsons Prom.

Don't stress if you get distracted/lost/whatever, just give us a call and let us know and we will provide whatever help we can. 0412 300 251 or 0412 560 541 will get either Doug or Julie.

1. If you have a portable GPS, just make sure you have the right address!

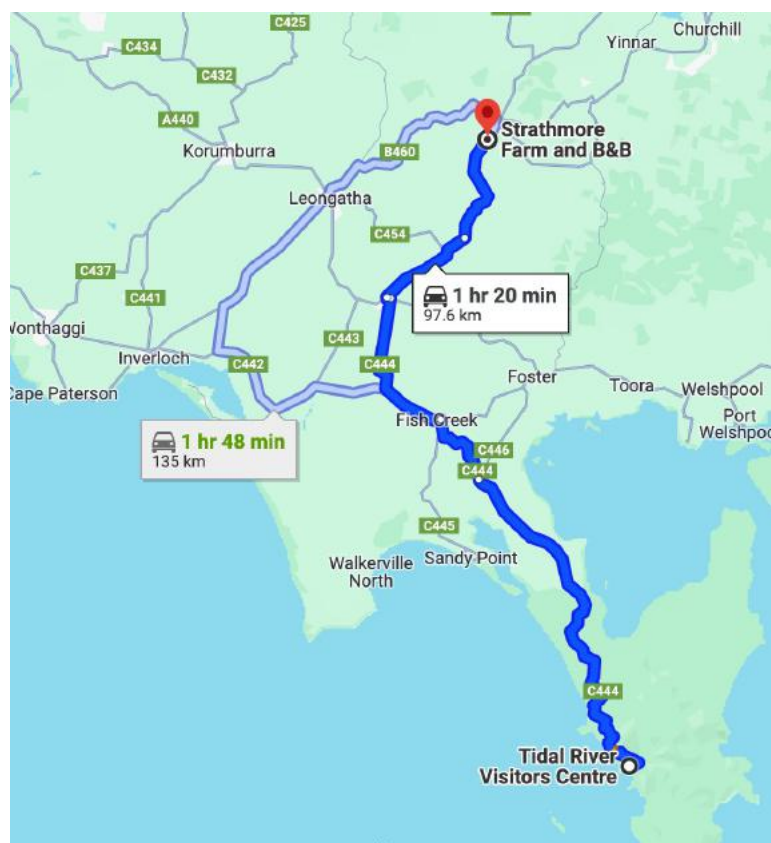

Please use the address "2535 Meeniyah-Mirboo North Road, **Mirboo North**" as this will take you to our property. Please make sure you select Mirboo North as the town, **NOT** Mardan.

If the GPS has our address correctly, you will see something on your screen which is similar to the following map as the confirmation of the right address :

2. Detailed directions if you don't have a GPS available

Here is an overview of how to get to our B&B from the Wilsons Prom Visitor Centre at Tidal River. If you are coming from other places, let us know and we will send some detailed instructions - or just plug into this set of directions where it makes sense for you.

Leave the Wilson Prom Park Visitor Centre and head out on the only road that exits the Park. This is the Wilsons Promontory Road.

After an eternity it seems, you will need to veer left onto the Fish Creek Road as per the photo below. This is the C444 route - Meeniyan- Fish Creek Road.

Follow the road and then turn left in the Fish Creek township.

Then continue through Fish Creek and just follow this C444 road until you get to the outskirts of Meeniyan, where you will need to turn left. Just after this turn (200m down the road) , you need to turn right, so be ready and watch the traffic behind you. The right turn is called Royston Street. you then turn right at the end of this street - as per the photo sequence below:

Follow this road, the Meeniyah-Mirboo North Rd/C455 for at least 10 km (pass through the little locality of Dumbalk about 2/3rds of the way along) until you see a left hand turn (after Dumbalk and coming down a hill):

Take this turn and just follow your nose through the creek, up some twisty bits (be careful), up the hill past the Maple Ridge Cottages on your left and then after another twisty episode, emerge to a T-intersection and turn right:

Follow this road (still called the Meenyan-Mirboo North Road) until you come to a long straight downhill, through some magnificent gums with a a culvert in the middle, as per the next photo on the left. Just another 300 metres and you need to be **going slow and indicating left** as you are going to go over a crest and right on the top of the said crest is our driveway! Next two photos. Watch your rear mirror and turn left into our driveway.

**Hidden driveway
Sign (ours!)**

Welcome, well done - and you made it! 😊👍
